Parents and Players

RE: SCMB COVID-19 Update

Dear Players and Parents

I hope that you and your families continue to be safe and healthy. Thank you for your efforts to maintain appropriate social distancing and for doing your part to “flatten the curve”. It has been almost two months since my last letter to you. Thank you for your patience.

Swift Current Minor Baseball and Baseball Sask are pleased that recently the Government of Saskatchewan has given our association the go ahead to return to play effective June 22, 2020. Our goal remains to try to provide some form of a positive baseball experience this summer for all interested participants.

As a first step, we must create a return to play plan. Our return to play plan must be approved by the city and will include reasonable physical distancing, gathering numbers, reasonable hand hygiene, and necessary sanitary measures. Our next step towards play will be a coach working with small groups or bubbles of participants on baseball related skills. We are hopeful that as the province opens up we will be able to provide some type of game related experience before summer’s end.

There will also likely be some type of waiver for you to sign which summarizes the expectations, protocols, and required commitment for all participants.

Very shortly, one of our division heads will be contacting you to determine your level of interest. Thank you for your family’s continuing interest in and support of SCMBA and its participants. If you have any questions, please let me know. Stay healthy and stay safe.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kyle McIntyre', is located below the text 'Sincerely,'.
